

AV Rider

Presentation
Slides can be transferred before the event or brought on a portable USB drive. Please confirm your preference.

Projection / Display
Projector (or large screen) with HDMI input & cable.

Microphone
Wireless lavalier or “Countryman” microphone preferred.

AV Testing / Soundcheck
A/V check no fewer than 30 minutes before taking the stage.

Confidence Monitors
At least one confidence monitor is preferred, if possible.

No Podium
No podium on stage is preferred. If one must be present, please move it to the back.
